

## **Littlecourt Lunch Club Report (APCM 2018)**

We have again been pleased to welcome several new members to the lunch club this year and usually have around 40 guests to lunch each Tuesday. Our six cooking teams have continued to provide excellent hot, two course lunches.

George Holding and Geoff Hibbert, two of the members, set up the hall and help tidy up each week. Alison Bull has now joined the front of house team which brings our number up to seven. We continue to be grateful to Beryl Ellinor, Geoff Holland and Bryan Nicholas who collect the members' weekly payments and to Stuart Wigley for managing the finances. The volunteer drivers bring and collect the members, rain or shine. This is as important a part of the day as the food and fellowship during lunch. Marjorie Brown kindly co-ordinates the drivers' rota every week.

We try and mark special days such as Easter and Valentines Day with extra table decorations and Pam's cupcakes. A fish and chip lunch at Loch Fyne in Sevenoaks was enjoyed by many in the Spring when the church hall was out of action.

Our renowned Christmas party was supported by a donation from Age UK and Batchelor's by a generous discount for the delicious turkey. It was well attended as usual by 80 members and team helpers and made extra special by the very talented choir of Amherst School singing carols.

We are always pleased to welcome new members as well as offers of help to join one of the teams.
